

Owls News

11th May 2020

Hi Owls!

I hope you enjoyed celebrating VE Day. It was great to see some of your pictures on the Shepherds Down Facebook page! It was also great to see some Owls on the Loo Roll video! Great fun!

Please email pictures to Sarah if you would like them to be shared in next weeks newsletter.

Topic - 'We are all different'

For topic this week let's focus on the words 'hot' and 'cold'. I know that lots of you have been enjoying waterplay at home. I've put a communication board on the next page. Why don't you try waterplay with two trays - one with warm water and one with cold water, maybe even with ice! Which do you prefer?

Sound of the week

This week's sound is 'd'. Look on the Owls Blog for a video using the 'd' sound. Maybe you could try making a drum like mine out of materials you can find at home? Here are some ideas for making a dinosaur, make sure you send in some photos if you make one!
