

Skylarks Weekly News

20th April 2020

Hello Skylarks! We hope you and your families are all well at home. Skylarks Team are missing you all lots! Ed and Amber are going to put together weekly newsletters like this while we are not all in school so that we can keep in touch! We will include little challenges and things that you can do at home. We will email this to grown-ups each week. If you would like to share what you have been up to then grown-ups can email photos to Ed and Amber. Their email addresses are e.potterton@shepherdsdown.hants.sch.uk and a.hillard@shepherdsdown.hants.sch.uk. We hope you enjoy these newsletters and they give you some ideas for how to keep busy at home! Stay safe ☺

Time to sign!

Different

Country of the week

Each week we will choose a different country to focus on and will set you some challenges or questions to find the answers to!

This week, we will think about **England!**

- What is the capital city of England?
- Where do we live in England?
- Where have you been in England?
- Do you have family or friends in different cities in England? Amber's best friend lives in Manchester!
- Can you create the English Flag? You could draw it, paint it or use red and white things in your home to make a large flag!
- What is your favourite traditional English food to eat? Amber's favourite meal is a Roast Dinner!

We love to read!

Amber has been reading Baby Freddie's favourite book, Postman Bear, lots at home! What is your favourite book that you have at home? We'd love you to let us know! Maybe send us a picture of you reading it ☺

We have hidden some Union Jack flags on this page. Can you find them all?

Get Moving Challenge!

How many star jumps can you do in 30 seconds? Amber managed 28! Can you beat her?

We are all different

This half term's topic focus is about looking at similarities and differences between us and different cultures and countries. Teachers have put together lots of ideas for things that you could do at home. We will also add ideas onto our newsletters each week!
